

Donor Letter of Appreciation

July 13th, 2018

Dear KDSF,

I am writing to thank you for your generous Kingdom Dreamer Scholarship. I am very grateful for being selected as a recipient of your scholarship

As a son of missionaries, financial problem was the greatest burden I had while I was studying here in the United States. In a situation where I had to cut off all possible spending, even a dollar was a big help. Therefore, such a big financial support from KDSF is a great help for my academic achievement and for my parents' ministries.

By awarding me the Kingdom Dreamer Scholarship, you have lightened my financial burden which allows me to focus more on learning and experiencing for my goals. I promise you that I will go forward and do my best to achieve my goals. Thank you very much again for supporting my learning, and one day I hope I could financially support young talents' dreams just as you did.

Sincerely,
